Subpart B—Service Fees, Electric Power Rates and Revenues

§ 175.10 Revenues collected from power operations.

The Area Director shall set service fees and electric power rates in accordance with the procedures in §§ 175.11 and 175.12 to generate power revenue.

(a) *Revenues.* Revenues collected from power operations shall be administered for the following purposes, as provided in the Act of August 7, 1946 (60 Stat. 895), as amended by the Act of August 31, 1951 (65 Stat. 254):

(1) Payment of the expenses of operating and maintaining the utility;

(2) Creation and maintenance of reserve Funds to be available for making repairs and replacements to, defraying emergency expenses for, and insuring continuous operation of the utility;

(3) Amortization, in accordance with repayment provisions of the applicable statutes or contracts, of construction costs allocated to be returned from power revenues; and

(4) Payment of other expenses and obligations chargeable to power revenues to the extent required or permitted by law.

(b) *Rate and fee reviews.* Rates and fees shall be reviewed at least annually to determine if project revenues are sufficient to meet the requirements set forth in paragraph (a) of this section. The review process shall be as prescribed by the Area Director.

§ 175.11 Procedures for setting service fees.

The Area Director shall establish, and amend as needed, service fees to cover the expense of customer service. Service fees shall be set by unilateral action of the Area Director and remain in effect until amended by the Area Director pursuant to this section. At least 30 days prior to the effective date, a schedule of the service fees, together with the effective date, shall be published in local newspaper(s) of general circulation and posted in the utility office(s). The Area Director's decision shall be final for the Department of the Interior.

§ 175.12 Procedures for adjusting electric power rates except for adjustments due to changes in the cost of purchased power or energy.

Except for adjustments to rates due to changes in the cost of purchased power or energy, the Area Director shall adjust electric power rates according to the following procedures:

(a) Whenever the review described in § 175.10(b) of this part indicates that an adjustment in rates may be necessary for reasons other than a change in cost of purchased power or energy, the Area Director shall direct further studies to determine whether a rate adjustment is necessary and, if indicated, prepare rate schedules.

(b) Upon completion of the rate studies, and where a rate adjustment has been determined necessary, the Area Director shall conduct public information meetings as follows:

(1) Notices of public meetings shall be published in local newspapers of general circulation, posted at the utility office(s), and provided by such other means, if any, as determined by the Area Director. The notice shall provide: The date, time, and place of the scheduled meeting; a brief description of the action; the name, the address, and the telephone number for addressing comments and inquiries; and the period of time in which comments will be received. Notices shall be published and posted at least 15 days before the scheduled date of the meeting.

(2) Written and oral statements shall be received at the public meetings. The
